STUDENT INDUCTION PROGRAMME 2023 - 2024

Topic : Camu Orientation

Speaker : Dr. A. Kalavathi & Mrs. R.D. Beulah

Date : 26.06.2023

Objective :

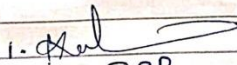

To enhance the learning experience through learning management system - camu

The Resource Person explained the learning management system as the software application which is used to plan to implement and assess a specific learning process. The students were instructed to install camu application in their mobile and asked to login to the camu portal.

The students were given hands-on training to use the applications of camu like attendance details, submitting assignment, taking assessments, to view exam schedule etc.

The students cleared their doubts and they were very much interested in using this application.
