## STUDENT INDUCTION PROGRAMME 2023 - 2024

Topic : இந்திய இந்திய கண்ணில் இந்திய

Speaker : Prof. K. Chintamani

Date : 27.06.2023.

Objective: :

Describing the direction for the student acquiring new knowledge, skills and expertise through learning.

The resource person started the session with an enthusiastic talk which motivated all the students to study with more joy.

He insisted the students to set their goal and work hard to achieve their goal.

He added that when learning becomes fun, we can see a positive influence on both learners and the one who teaches.

He emphasized that learning with fun has a positive effect determining what we learn and how much we retain information.

He ended with a quote "Learning isn't a one-off event. It requires repetition and dedication".

The session comes to an end with an interaction between the students and the resource person.
