Topic : Talent show.

Date : 29.06.2023.

Objectives:

- * To explore the various talents of the students.
- * To nurture the intrinsic qualities of students and remove the stage fear.

The SIP organised the talent show on 29.6.23 in conference hall I and II simultaneously as a part of cultural events to bring out the talent among students. All IUG students from various departments eagerly participated in various cultural events and exhibited their talents. The programme started with lots of enthusiasm and expectations among the students. The students were full of confidence prior to their performance. The students have an ocean of hidden talent amongst them and it was displayed at the talent such as group dance, group song, poetry etc. They participated individually and group performance as well. The students were enjoying the day. The programme went on well and become a memorable day for the students.
