6.1 Institutional Vision and Leadership

6.1.1 The governance of the institution is reflective of and in tune with the vision and mission of the institution

The main concentration of its college is the firm commitment to its vision and mission. The predominance and thrust of the institution is to provide quality education with sound values to young boys and girls drawn from rural setup and develop them as wholesome responsible citizens.

In a bid to accomplish the quality education, the college has set a master plan to embrace creative methods and best practices to carry out quality education to the students. The governance of the college recapitulates the provisions demonstrated through its vision and mission and shown through its main values of promoting the wellness of institution, creating value and outcome based education, promoting social responsibility, securing equitable access and persuading environmental sustainability.

The governance of the college, navigated by Board members at the main level, is participatory, decentralized, transparent and transformational. The Governing body consists of Members of the society called Christian Education
