FIELD VISIT - KONGALNAGARAM

Archaeological Excavation Site

Date: 01/10/2024 Time: 10:00am

Objectives:

- * To explore the archaeological potential of the site and uncover its historical significance.
- * To learn about societies and the development of the human race.

The Archaeological Survey of India (ASI) conducted an excavation survey at Kongalnagar in Tripura District.

Archaeological officer R. Kaviya, Research Scholar Rajasekar, P. Mahalakshmi and R. Nithiya Priya explained Topographical, Geophysical, Test Trenches, habitation, Ancient pottery shards (Red, blackware pottery and Rosetta Pottery), Hopsotch, Shell bangles and different burial sites of Rectangle and Quadrant Method.

Students are exposed to Sangam age artefacts, Tamil Brahmi script, Cave paintings, Iron Age monuments and other artefacts from early stages of history, visible two meters above the surface at Archaeological mound in Kongalnagar.

The students showed great interest and clarified their doubts.

8

Totally 39 students and 7 faculty members were benefitted.

Outcome:

- * students learnt the significance of archaeological potential indicating human settlement and cultural activities in Kongalnagar.
- * students shared their idea of choosing their career as Archaeologists, Archaeological officer, Director of Archaeology, Museum Director etc...
