[Autonomous]  
Free Registration Camp of Digital Health Card  
[Under Ayushman Bharat Digital Mission Scheme]

Date: 25.02.2025  
Venue: Government High School, Amaravathi

As a part of commitment to community service, the Department of Information Technology in association with First Aid Social Welfare Trust organised a special extension activity to facilitate the free registration of Digital Health Cards for students of Government High School, Amaravathi on 25/02/2025. The event was initiated and organised by Mrs. L. Sankara Maheswari, Head and Associate Professor, Department of Information Technology, faculty members and students of Information Technology. This initiative aimed to promote healthcare accessibility and digitalization among school students.

Objective

The primary objectives of this activity were

- \* To provide students with a digital health record for better medical assistance.
- \* To ensure accessibility of healthcare services through digitalization.
- \* To encourage the adoption of digital tools for health tracking.

Activity details

The students of III B.Sc Information Technology carried out the online registration of Digital Health Cards for 4 students of Government High School, Amaravathi. The implementation of this activity had significant benefits and outcomes including:

- \* Students can now avail medical consultations with their digital records.

- \* Promoting the integration of technology in healthcare among young students.
- \* Conducting periodic follow-ups to ensure students utilize the Digital Health cards effectively.
- \* Introducing digital literacy sessions for students.
- \* Expanding the initiative to other schools in rural areas.

The free registration of Digital Health Cards for students at Govt High School, Amravathi was a successful extension activity that emphasized the importance of digital healthcare. This initiative not only benefited students but also contributed to the larger goal of integrating technology into public health services.
