Online Education

1. Does all programs/courses were completed on time.	Yes		
2. Measures taken to complete the syllabus of courses and programs.	<p>Covid19 posed myriads of challenges to higher education in India in the year 2020. Awareness regarding the Covid 19 safety measures to be taken was given through personal counseling and webinars. A helpline has been given by the college to the students to seek help at times of emergency. In the absence of regular classes, plans were chalked out to address the academic needs of the students. An online students survey was conducted to confirm the availability of network facility and device to attend online classes. Our campus ERP-LMS (Learning Management System) CAMU has been functioning for the past six years and that has been utilized to create virtual class rooms. An orientation was given to all students to have a hassle free learning. Class-wise Whatsapp groups were created with all the students and course teachers to disseminate the instructions without any constraints. Course materials through PPT and videos were uploaded in CAMU and students had a free access to utilize the course material anytime anywhere.</p> <p>For all students syllabus revision was given through online. Webinars were conducted on topics related to the syllabus in order to facilitate better learning. Assignments and quiz were also conducted through our LMS - CAMU. Guidelines and orientation were given to students to take up II Continuous Internal Assessment through online. An online mock exam was conducted to enable the students to take up the examinations through online without any difficulty. Internal marks were uploaded in CAMU for students verification. As per the guidelines given by the Central and State government and the Parent University end semester marks were calculated for I UG, II UG and I PG students, the results were declared and they were promoted to the next Year. For final year UG and PG students orientation about attending and uploading online examinations was given and a mock online exam was conducted to get prepared to take the online end semester examination with confidence. A proctored online examination was conducted in September 2020 as per the guide lines and schedule given by UGC and the parent university. Structured feedback regarding online classes was collected from students to keep track of their progress at regular intervals. Virtual labs and screen sharing mode were used to revise practicals and model practical examination was conducted. End semester Practical exams were conducted though offline by strictly following the guidelines prescribed by the state and central government. Individual/group project and Internship viva Voce examinations were conducted through online with appropriate documentation duly signed by the concerned authorities. End semester evaluation was conducted through online mode and results were declared in the college website.</p>
