The recommendations and suggestions proposed by the external members of the Academic Council:

Dr. E. Ramganesha, external expert (Online) suggested for

1. Introduction of practicals for each course under each unit of the syllabus which are directly applicable of the theory knowledge acquired.
2. Allocating marks for such practicals that were incorporated in the units during the CIA.
3. Using the revised Bloom's Taxonomy called Anderson taxonomy giving more importance for the apex concept of creation concept.
4. Course outcomes to give weightage for Higher Order Thinking Skills (HOTs) as an enhancement to Lower Order Thinking Skills (LOTs)
5. Introducing core course options for each programme under CBCS.
6. Incorporating the entrepreneurial domain atleast for one core course that would develop skills under CBCS.

Dr. R. Thangavelu, External expert (online) suggested that

1. Total number of credits can be increased from 140 to 150 by increasing core courses (or) electives credits with 10-20% online components.
2. Credit transfer for regular courses can be attempted.
