**Feedback Analysis-Alumni**

Feedback on curriculum is a regular phenomenon in our institution as it aids in the quality nutrition and improvement of the curriculum. Structured feedback is received from all stake holders on curriculum: Outgoing UG and the PG students assess the curriculum through online feedback system. Their independent reports are taken for analysis. Course teachers also give their comments on the curriculum of the courses they handled. Feedback on the entire syllabus is obtained from the alumni of respective departments. Parents also give their feedback on the curriculum of their wards. Based on the employable skills, employers provide their feedback on the curriculum. Each department analyses the feedback and submits a report to the Curriculum Development Cell (CDC). The CDC evaluates the feedback and necessary actions like modifications/updates in the curriculum are introduced at department/institution level and further approved in the Board of the Studies and subsequent Academic Council meeting.
