● To equip the students face the challenges of the dynamic environment by providing necessary skills.

● To offer value based education synthesizing arts, science and spirituality.

# SIGNIFICANCE OF THE COLLEGE EMBLEM

**The Emblem carries fruitful message to the youngsters**

The **White Lotus** stands for purity which leads to greatness, thereby reminding us of the following couplet of Sage **Thiruvalluvar**.

"The length of a flower-stalk will be in proportion to the depth of the water in which it grows; the height of a man is in proportion to the greatness of mind."

*- Thirukkural 605*

*- Translated by Rev. Drew John Lazarus*

The **Swans** on either side of the lotus inspire the students to discriminate the good from the evil, just as they drink the milk leaving out water.

The lamp - **Our Traditional Kuthuvilakku** - in the emblem denotes the everlasting grace of the Almighty, with whose help alone we will be able to eradicate the evils of the society.

The College Motto **"Not for Self But for All"** emphasizes the true aim of education, which is selfless service.

The individual's life will ever be green only when it is informed with the spirit of patriotism. Such a patriotic life attains fulfilment only in the orange glow of the flame of perfect devotion to the Lord. The College Emblem containing "Green and Orange" represents the above ideas.

## GENESIS OF THE COLLEGE

*About six decades ago, in 1952, Sri G.V.G. Visalakshi College appeared on the academic map of Tamilnadu as the first Women's College in Coimbatore District. Set in idyllic environs the stone edifice of the college stands as an eternal monument of the philanthropy and foresight of the founder Sri. G.V. Govindaswamy Naidu, who envisioned a futurity of emancipated womanhood of the socially, economically and culturally backward rural society of Udumalpet in his days. His posterity, the grand son of the founder, Shri. G. Raveendran, our Secretary has fostered and nurtured the spirit of his sire, enlarging the scope and variety of higher education offering a multiplicity of traditional and modern courses. The story of the growth of the college is one of the gradual uphill ascent to the summit of excellence.*

# SIGNIFICANCE OF THE COLLEGE EMBLEM

**The Emblem carries fruitful message to the youngsters**

The **White Lotus** stands for purity which leads to greatness, thereby reminding us of the following couplet of Sage **Thiruvalluvar**.

"The length of a flower-stalk will be in proportion to the depth of the water in which it grows; the height of a man is in proportion to the greatness of mind."

*- Thirukkural 605*

*- Translated by Rev. Drew John Lazarus*

The **Swans** on either side of the lotus inspire the students to discriminate the good from the evil, just as they drink the milk leaving out water.

The lamp - **Our Traditional Kuthuvilakku** - in the emblem denotes the everlasting grace of the Almighty, with whose help alone we will be able to eradicate the evils of the society.

The College Motto **"Not for Self But for All"** emphasizes the true aim of education, which is selfless service.

The individual's life will ever be green only when it is informed with the spirit of patriotism. Such a patriotic life attains fulfilment only in the orange glow of the flame of perfect devotion to the Lord. The College Emblem containing "Green and Orange" represents the above ideas.

# GENESIS OF THE COLLEGE

*About six decades ago, in 1952, Sri G.V.G. Visalakshi College appeared on the academic map of Tamilnadu as the first Women's College in Coimbatore District. Set in idyllic environs the stone edifice of the college stands as an eternal monument of the philanthropy and foresight of the founder Sri. G.V. Govindaswamy Naidu, who envisioned a futurity of emancipated womanhood of the socially, economically and culturally backward rural society of Udamalpet in his days. His posterity, the grand son of the founder, Shri. G. Raveendran, our Secretary has fostered and nurtured the spirit of his sire, enlarging the scope and variety of higher education offering a multiplicity of traditional and modern courses. The story of the growth of the college is one of gradual uphill ascent to the summit of excellence.*
