*Student Enrichment Program*

25.05.2021 to 28.05.2021

Platform: MICROSOFT TEAMS

Registration link

<https://forms.gle/pkQFVqWJphNL>

**Day 1**

25.05.2021 @ 3.00pm to 4.00 pm

*Ensuring Data Storage Security in Cloud Computing*

**Resource Person**  
Dr.S.Thilagavathi  
Assistant Professor,  
Department of Computer Science  
Sri Krishna Adithya College of Arts and  
Science,  
Kovaipudur,Coimbatore.

**Day 2**

26.05.2021@3.00pm to 4.00 pm

*Linux OS and it's Career Opportunities.*

**Resource Person**  
Ms.R.Subha Shree  
Assistant Professor in BCA,  
Krishna College of Arts and Science,  
Coimbatore.

**Day 3**

27.05.2021@3.00pm to 4.00 pm

*Network Routing Protocols and adhoc Network*

**Resource Person**  
Mr.S.Navaneethan  
Associate Professor,  
JJ College of Engineering and  
technology,  
Trichy.

**Day 4**

28.05.2021@3.00pm to 4.00 pm

*Awareness on Competitive Examination*

**Resource Person**  
Prof.A.Sethuramasubbiah  
Professor &Head(Social Work),  
Apollo University,  
Chittoor,Andhra Pradesh.

The Department of Information Technology organizes “**4 Days Student Enrichment Program**” On the title “**Ensuring Data Storage Security in Cloud Computing**”. The chief guest of the session Dr.S.Thilagavathi, presented the keynote address on “Data Storage Security in Cloud Computing” with clear understanding of its importance.

She explained the cloud types, Models, Storage in the world of education, how data, images, information and content needs to be stored in a secure manner. She pointed out the most cloud-based mobile applications offer strong authentication facilities for making sure that the academic material is made available only to the Students. She given example of cloud-based mobile applications in education makes it easy for students to share their assignments with teachers in an easy and trackable manner. Cloud facilitates easy collaborations, allowing student groups to work on projects and assignments on cloud in an effective manner.. It is an most informative session. About 112 students and four faculty members attended the session and benefited.

The Department of Information Technology organizes “**4 Days Student Enrichment Program**” On the title “**Linux OS and it’s Career Opportunities**”. The cheif guest of the session Ms.R.Subasree, presented the keynote address on “**Linux OS and it’s Career Opportunities**” with clear understanding of its importance for their Linux Career. She explained an open-source operating system like Linux, Windows and MacOS, it is also used as a platform to run **desktops, servers, and embedded systems**. The **kernel is a core part of** the Linux system.Linux system is used to manage various services such as process scheduling, application scheduling, basic peripheral devices, file system, and more.

She motivated the students to do Linux certified professional is an information technology specialist who has taken exams to prove his or her proficiency in Linux. Linux is an open source operating system based on UNIX that is used to run web servers. Because of their economy, stability, and ability to handle large tasks, Linux servers are growing rapidly among companies and businesses of all sizes.

The resource person motivated the students as being a Linux Certified Professional provides extra credibility when applying for a position. Because Linux has its own knowledge base and skill requirements, being certified as an expert in this operating system adds greatly to a computer specialist's value. It is an most informative session. About 89 students and four faculty members attended the session and benefited.

# ***"4 Days Student Enrichment Program"***

*On the title*

**"Awareness on Competitive Examination" *Prof.A.Sethuramasubbiah***

**Date: 28.05.2021**

**Time: 3.00 to 4.00 PM**

**Platform: Microsoft Teams**

**Registration Link :** <https://forms.gle/pkQFVqWJphNLTsKy8>

**Meeting Link :** <https://teams.live.com/meet/95919336484293>

The Department of Information Technology organizes "**4 Days Student Enrichment Program**" On the title "Awareness on Competitive Examination".The chief guest of the session ***Prof.A.Sethuramasubbiah***, presented the keynote address on "Awareness on Competitive Examination" with clear motivation speech of its importance and need to the students.

The resource person explained the Early exposure to learning and competition builds confidence and sharpens skills which raise your level from other students on the same platform. Competitive exams will enhance the skill of understanding the application of concepts, which is required in a broader context when we appear for exams like Civil Service and many others. Exams develop IQ, logical and analytical thinking and build a strong foundation for a career.

The Chief guest explained the academic facilities to the students aspiring for Central & state service examinations such as GATE, Civil service, Engineering services, Group-1. He motivated the students competent to attend competitive exams and to develop good administrators, create awareness among students about their social and civil responsibilities. To help learners make appropriate and realistic career choices and career direction and acquire leadership qualities and democratic attitude. It is an most informative session. About 243 students and four faculty members attended the session and benefited.
