Webinar on Managing Inventory In Manufacturing Industry
on 12.06.2021**

Mr. P. Rajan, Professor , Department Of Management Studies .Sri Krishna Arts And Science College, Coimbatore. He discusses about the Manufacturing inventory, or production inventory, is all of the supplies and materials on hand meant for the manufacturing of products. Retailers and wholesalers have inventories that include only items ready to sell, or merchandise inventory. But a manufacturing company's inventory consists of goods in multiple stages of production. From raw materials on up to finished products ready to ship.

BA Economics with Logistics and Freight Management Webinar on Creativity & Innovation In Business on 12.06.2021

Dr. V. Krishnamoorthy, Associate Professor Of Management Studies, Kongu Engineering College, Erode. He Discusses on what is Innovation? How to innovation ideas used in Logistics fields? What do you think of when you think about creativity?

Creativity goes hand in hand with innovation. And there is no innovation without creativity. While creativity is the ability to produce new and unique ideas, innovation is the implementation of that creativity- that's the introduction of a new idea, solution, process, or product. Creativity is the driving force behind innovation and the incorporation of looking at things from a different perspective and freedom of restrictions by rules and written or unwritten norms.

Why is creativity important in business?

BA Economics with Logistics and Freight Management Webinar on Challenges in Supply Chain Management During Pandemic on 10.06.2021

Dr.R.Somasundaram, Professor, Kongu Business School, Kongu Engineering College, Erode, he delivers Pandemics cause chaotic situations in supply chains (SC) around the globe, which can lead towards survivability challenges. The ongoing COVID-19 pandemic is an unprecedented humanitarian crisis that has severely affected global business dynamics. Similar vulnerabilities have been caused by other outbreaks in the past. In these terms, prevention strategies against propagating disruptions require vigilant goal conceptualization and roadmaps. In this respect, there is a need to explore supply chain operation management strategies to overcome the challenges that emerge due to COVID-19-like situations. Therefore, this review is aimed at exploring such challenges and developing strategies for sustainability, and viability perspectives for SCs, through a structured literature review (SLR) approach. Moreover, this study investigated the impacts of previous epidemic outbreaks on SCs, to identify the research objectives, methodological approaches, and implications for SCs.

100 participated the were attending this webinar.

Report on "women as agent of change in Social Entrepreneurship"

Women Studies Centre organised webinar on "Women as agent of change in social Entrepreneurship" on 02.06.2021. Ms. Sowmya Balakrishnan, Social worker, Coimbatore delivered her valuable ideas and views on social entrepreneurship. In her lecture, she explained about feminism – women have biologically reproductive capacity-women are change-maker. She addressed the difference between the service and work and the qualities of social entrepreneurs. She has covered the areas such as women role in reducing inequalities and poverty, food security, clear water and gender equality, integrated model of communication, how to ignore mediocre ideas and the role of partnership. About 85 students and 15 faculty benefitted in this virtual webinar.

REPORT

Department of English SF conducted an invited talk on *Soft Skills Through Literature* on 17/05/2021 by providing a link on Google Meet. The session began by the Welcome address proposed by Ms.P.Tamilselvi. Nearly 82 students participated. The chief guest Dr.L.Mahalakshmi discussed on soft skills as personal attributes that influence in work environment to interact with others. By mastering LSRW skills it is easier to form relationships with people to create trust and coordination, and it can also provide a platform to become a Team leader. Various genres in literature were discussed through Soft skills as important tool, because it will enable students to overcome the challenges they encounter in their adult life, as well as in working environment. So, mastering the universal language helps students learn, live and work better. It develops student's critical thinking. It expands student's language awareness as well. It was an interactive session and students clarified their doubts and expressed their opinions and feelings. The session ended with vote of thanks given by Mrs.D.Saranya.

ACADEMIC YEAR 2020 - 2021

The environmental club commenced its activities with the following office bearers of the club for the academic year 2020-2021.

President : Dr. (Mrs) N. Rajeswari,
Principal

Convener : Dr. (Mrs) S. Kalaichelvi,
Associate Professor in Zoology

Co-opted Members :

1. Dr. (Mrs) R. Gomathi,
Deputy Controller,
Assistant Professor in Botany
2. Mrs. D. Saranya,
Assisted Professor in English (SF)
3. Mrs. Joyce Samuel,
Assisted Professor in Physics (SF)

An extraordinary meeting was organized on 13.05.2021 (Thursday) at 10.00 am to 11.30 am. The Resource person is Mr. Osaï Kalidesan, Environmental Activist, Coimbatore, delivered a special address on "Biodiversity of Tamil Nadu and Human Wild Life Conflict". He delivered lecture on animal biodiversity, endangered animals, Environmental Pollution, Human and Elephant Conflicts.

The beneficiaries are I UG students of all

disciplines with total number of 100, those who are studying Environmental Studies.

Report of Webinar on

“Need and Importance of Biodiversity Conservation”

Platform : ***Google Meet***

Date : ***24.05.2021, Monday.***

Time : ***4:30 PM to 06:00PM***

The Webinar on Need and Importance of Biodiversity Conservation was organized by Department of Physics under DBT Star College Scheme on 24.05.2021. G.Kannabiran, Coordinator of Galilio Science Club (VP-TN0014) (Affiliated to Vigyan Prasar- under the department of Science and Technology, Govt. of India) was acted as a Resource Person for this webinar. The programme was started with welcome address by Dr.M.Nirmala, Assistant Professor of Physics. To create awareness and orient the young minds about the biodiversity conservation the department of Physics organizing this webinar on Need and importance of Biodiversity conservation. Conducting of this type of programme will help communities and individuals secure rights to use natural resources, and involving local communities in responsibly managing them, can prevent or minimize conflict and provide opportunities for economic growth.

G.Kannabiran in his opening remarks said that important lessons like, how to manage to learn to respect the nature. We are living with risks and we need to manage it in sustainable way. He mentioned that the developmental aspirations are superseding environmental aspirations. Nature and biodiversity conservation are very critical. Infrastructure resilience based on ecological engineering, nature based solutions are the need of the hour. We need to harness the co benefits of ecosystem services. Significant change in pace and frequency of disasters is happening due to anthropogenic activities. We need to relook at ecological functions and biological resources and then only nature based solutions gets its real dues. He talked about current global extinction risk among various species.

He highlighted aspects of human induced global land degradation, soil salination and soil reclamation by remediation of soil salinity, fragmentation of biodiversity areas and zones, no

corridors for animals, plastic pollution, Pesticides – major reason for soil degradation etc. He concluded by saying that humans can't survive without microorganisms, but the opposite is not true. We have to go for Gross Sustainable Production.

G.Kaviya III B.Sc. Physics student has proposed vote of thanks. She thanked Principal and management to encourage for organizing such informative Program. She also thanked Mr.G.Kannabiran, to deliver talk about biodiversity. There are 100 participants were benefited from this webinar.

OUTCOME : Awareness generation among the participants about the importance of biodiversity, its loss pattern and human existence dependent upon it.

Times tamp	Name :	Class:	1. How informative is the webinar by G. Kannabiran on “Need and Importance of Biodiversity Conservation”?	2. How did the sessions compare to your expectations?	3. On what topic would you like to have webinar in future?

BA Economics with Logistics and Freight Management
Guest Lecture on Logistics Future Direction & Strategies for Strategies Change Management on 19.02.2021

Dr.S.Balamurugan, Assistant Professor & Head Department of Commerce (IB) Government Arts and Science College Avinashi delivered the significance of **Strategies Change Management**. In his lecture related to **Strategies Management**. Developing a change management strategy provides direction and purpose for all other change management activities. By outlining the unique characteristics of the change and its risks and potential resistance, change practitioners set themselves and their project team partners up for success.

Successful strategies of change management include a team structure, sponsor model, special tactics and risk assessment. Without these elements, it will be very difficult to develop and implement the change management plans you need for a successful project.

Why You Need a Change Management Strategy?

Successful strategies of change management include a team structure, sponsor model, special tactics and risk assessment. Without these elements, it will be very difficult to develop and implement the change management plans you need for a successful project.

உறுதிமொழி

நமது நாட்டின் பொருளாதாரம், அரசியல் மற்றும் சமூக முன்னேற்றத்திற்கு ஊழல் ஒரு முக்கிய தடையாக உள்ளதாக நான் நம்புகிறேன். அரசு, குடிமக்கள் மற்றும் தனியார் நிறுவனங்கள் ஆகியவை ஊழலை ஒழிக்க ஒருங்கிணைந்து செயல்பட வேண்டும் என நம்புகிறேன்.

நாட்டின் ஒவ்வொரு குடிமகனும் எப்போதும் உயர்ந்த நோக்குடன் விழிப்புணர்வு, நேர்மை மற்றும் கண்ணியம் ஆகியவற்றுடன் ஊழலை ஒழிப்பதில் உறுதுணையாக விளங்க வேண்டும் என்பதை நான் நன்கறிவேன்.

எனவே, நான்

- அனைத்து செயல்களிலும் நேர்மையையும், சட்ட விதிகளையும் பின்பற்றுவேன் என்றும்;
- இலஞ்சம் வாங்கவோ அல்லது கொடுக்கவோ மாட்டேன் என்றும்;
- அனைத்து செயல்களையும் நேர்மை மற்றும் வெளிப்படைத் தன்மையுடன் செயல்படுத்துவேன் என்றும்;
- பொதுமக்களின் நலனுக்காகப் பணியாற்றுவேன் என்றும்;
- தனிப்பட்ட நடத்தையில் நேர்மையை வெளிப்படுத்துவதில் ஒரு முன்னுதாரணமாகச் செயல்படுவேன் என்றும்;
- ஊழல் தொடர்பான நிகழ்வினை உரிய அதிகார அமைப்பிற்குத் தெரியப்படுத்துவேன் என்றும்; உறுதி கூறுகிறேன்.
