The Health and Hygiene club conducted an Awareness Programme on "Food safety and Adulteration" on 19.3.2021 at Kumaramangalam.

Every living thing on earth needs food to survive. Foods may be adulterated with non-food Material. Consumption of adulterated foods could lead to disease outbreaks of epidemic proportions.

Our students gave awareness among the people on Food safety and Food adulteration in an effective way.

Demonstration for Food adulteration.

The aim is to evaluate the presence of adulterant from daily uses food materials like milk, Butter, Honey, Pulses, Wheat Flour, Black Pepper, chilli powder, Noodles, Coffee powder and Turmeric powder which we collected from different departmental and local grocery stores and checked the presence of individual adulterants by biochemical qualitative analysis.

According to the reagents the color changes of the sample indicates the presence of different adulterants. This information can help to grow the food safety and also people can be aware about the food brands for a healthy life.

Distribution of Pamphlets to the public to create awareness on Food safety and Adulteration by our students. Nearly 200 have been benefited through this awareness programme.

“A FIRST AID AWARENESS PROGRAM” REPORT – 13.5.2021

GOOGLE MEET LINK : <https://meet.google.com/skh-nkza-yqa>

Report of the Webinar

“First aid is the assistance given to any person suffering a sudden illness or injury, with care provided to preserve life, prevent the condition from worsening, and/or promote recovery”

Objectives:

The objective of the webinar is to

- Creating awareness on First Aid among the students.
- Provide the basic rules on First Aid with proper demonstration.

With the encouragement and support from the Management and the Principal, Red Ribbon Club organized “First Aid Awareness Program” on 13th May 2021 at 2.00pm exclusively for the students of Red Ribbon Club. Mrs.M.Prema, Assistant Professor of Commerce (CA) extended her warm welcome to the Chief Guest and the participants. Dr.S.Renugadevi, Assistant Professor of History introduced the speakers. The Resource Person Mr.Karal Marks from Alert Trainer, Chennai explained and demonstrated the First Aid provisions with some of the examples. He detailed on how to encounter an emergency situation, save the person from the worsening condition and to support the person's recovery. The meeting instilled the value and importance of First Aid and made the students to understand how imperative first aid is for each and every one. The session was lively and interactive. Queries of the students were answered. Dr.S.Renukadevi, RRC Convenor & Assistant Professor of History proposed the vote of thanks.

101 students participated basic life support and first Aid course through, Personal Empowerment in Emergency Response (PEER) Programme.

They taught the 'importance of First Aid' in different situations. In the case of burns, electric shocks, dislocations, snake bites what kind of First aid we should give that were taught by the experts. The importance of first aid is to save the life of the person.

Secondly, save the person from the worsening condition and third is to support the person's recovery. At the end of the program, we were felt well knowledge to support the person suffering from a sudden illness or accidents.

Alumni Webinar Series - 3

TOPIC - NUTRITION AND HEALTH

DATE - 14/05/2021 (3:00 PM - 4:00 PM)

It gave me immense pleasure to pen down my experience as an Alumna of Sri GVC Visalakshi college for women. Today I had a great opportunity to address the present generation students through this forum. I discussed about Nutrition and its importance on health. Students who attended this session seemed to be very enthusiastic and I believe that I could address to the questions raised during the session in a satisfactory way.

I also take this opportunity to thank Dr S. Umamaheswari, Head of the department, Dept of Zoology, Sri GVC Visalakshi college for women for remembering me and inviting me to this webinar series. I thank all the members of organizing committee for helping me and guiding me to deliver this talk successfully. More than everything, I thank each and every one of you for giving me this golden opportunity to reach back to my department after 18 long years. Thankyou so much mam + all faculty members.

ALUMNI WEBINAR SERIES - 3
ON TOPIC
"NUTRITION AND HEALTH"

Excellent session, I really enjoyed this webinar. Very informative session for me. It was very knowledgeable and well varied on topic. This session is very helpful to understand the importance of nutrition and nutrient deficiency diseases. She delivered great ideas about health issues, food sources, minerals etc. I kept smiling. I learnt a lot today. Very valuable guidance. Time well spent.
Thank you for organizing

this alumni webinar and a very special thank to the resource person Mrs. KJ Dinja.

NUTRITION AND HEALTH.

The webinar conducted by the resource person about nutrition and health was very beneficial to me. From this alumni, I had come to gain more knowledge about health education. In webinar, the resource person has discussed about nutritional products, health care, nutritional food products... I felt very happy of the resource person Mrs. Divya's explanation about the health education. I heartfully thank the resource person to give a wonderful experience for us. Thank you for arranging the webinar.

(HEALTH EDUCATION)

The third part of Alumni webinar series was conducted on 14/5/2021, and the talk was given by K. J. Divya, Major in Indian Army, Nursing officer, Indian Armed Forces Base Hospital, Delhi. She has talked about the importance of nutritional food in maintaining the health of women, the role of every component of food in maintaining the health of different parts of the body. The diseases caused by the deficiency also was discussed. More than 60 students has attended. The students were insisted to avoid canned food & junk food. This programme has not only gave knowledge about better food habits but also motivated the students. They have also discussed about their memories during college days and experiences they had during her studies. She has also motivated the students to grab the opportunities and to develop the skills.

7.Recombinant Vector Vaccines:

- Recombinant vector vaccines are experimental vaccines similar to DNA vaccines
- But they use an attenuated virus or bacterium to introduce microbial DNA to cells of the body.
- "Vector" refers to the virus or bacterium used as the carrier.
- Example : DPT

**Student Induction Programme
Webinar
Personal Empowerment in Emergency Response
Report**

An important action to be taken under UGC Deeksharambh – Student Induction Programme is to provide information on safety and health .Knowledge of first aid promotes a healthy, secure and safer environment. The basis of providing information on first aid is prevention. It is always better to be safe than to be sorry.

With the encouragement and support of the Secretary Smt.Sumathi Krishnaprasad and Principal Dr.N.Rajeswari, a webinar on “First Aid Awareness - Personal Empowerment in Emergency Response” was organised under Student Induction Programme on 19th June 2021 at 2.00 P.M. via Zoom Platform. The eminent speaker Mr.G.Dileep Raj, the General Secretary, ALERT-NGO was welcomed by the SIP Coordinator Dr.S.Shenbagavalli.

The first aid instructor and the master trainee Mr. G.Dileep Raj, the resource person with his extreme mastery skills and knowledge, enhanced the information regarding the safety and awareness among the student volunteers and highlighted the first aid rules and guidelines to be compulsorily taken into consideration during in action. He explained the basics steps and procedures to be followed while providing first aid services to the victim.

The program continued with the queries of the volunteers which were clarified at the end of the talk. At last, the webinar ended with the vote of thanks given by Dr. M. Karpagadevi, Assistant Professor of Mathematics .The webinar was very beneficial as well as informative to the youth. Feedbacks were obtained from the participants via google form and certificates were issued to all the participants.
