Report of guest Lecture

Date: 08.01.2021

Platform: Zoom

Agenda: To motivate the UG Physics students to develop their experimental skills**.**

Minutes of the Meeting:

Guest lecture was conducted for III UG and II UG Physics students on 08.01.2021 through online mode due to Covid-19 pandemic. Mr. Sampath Kumar, Head, Training and Development Section, Roots Industries India Limited, Coimbatore was the resource person. 83 students of B.Sc Physics were attended the meeting and benefited.

The Resource person explained the following

- The principle of working of an organization, way of implementation, sources of raw material and product behind all these is the human resources rather than machineries.
- Our individual contribution to our nation by obeying the rules and regulation that everything is for our personal health and wealth not for the shake of society and country.
- How to apply physics concepts and Analysing the physics in every day's life.
- Clarification of some concepts behind walk, Gaming, Electric equiptments, Energy conversions, Physics in human body – Eye is referred as camera because of similar principles, physics in internet(MO-DEM) – wave mechanics and Relation of our motion to Newtonian laws.

Finally he concluded that Physics is the fundamental of the Sciences and it teaches us to think. Also Physics gives us a new appreciation of world around us and he insisted physicist to implement the physics knowledge in industrial orientation. Students interacted well with the resource person and clarified their doubts.

Warm Greetings from BluezInfomatic!!!

Dear sir/mam,

BluezInfomatic is sprouted as one of the leading BPO in providing highly challenged technical solution for complex business.

We are located at Tirupur, Coimbatore and Udumalpet.

We offer Placements to Fresher candidates who are seriously in need of job. We require 30+ candidates for our Firm and we expect immediate joiners.

As of now we look candidates to both Tirupur and Coimbatore location. This is would be our http://www.bluezinfo.com/ official website for your reference.

We expect fresher candidates mainly female with basic degree and Computer Knowledge.

Now I have mentioned below our online test link, kindly forward the link to students and keep online test for 1st round.

It will appears as Students login and candidates login, so students will login at **STUDENTS LOGIN**.

· The 1st process is have to register in that link.
· Next it will appear 8 dialog box as Typing test, General Apps, Technical Apps, Managerial, Students set 1, students set 2, Students set 3, Students set 4.
. In that, **STUDENTS** will attend Typing test & Students set 2 category.
· After completing their online test, they should logout from their register at top of the corner.

So this is the 1st step to complete the online test.

We hope clearly students will all participate this online test with good results. After completing online test, GD & HR panel will be conducted.

Test link: http://bluezinfomatic.com/online_test_process/login.php

Time: 10.00 AM

Career Opportunities in Zoology

First of everything I thank our Principal, HOD and programme co-ordinator for arranging this wonderful Alumni Webinar Series. I also thank Dr.S. Sudha, Assistant Professor, Department of Zoology, L.R.G. Government Arts College for Women, Tirupur (Resource person) for sharing her valuable knowledge with us. At the end of the session we got an idea about the career opportunities in Zoology. Obviously, this session for career opportunities was very much useful and got some ideas regarding job opportunities. Everyone use to say that Zoology has no scope, there is no vast career opportunities and so. But after attending this meet I personally came to know that Zoology also has much job opportunities like other streams. Overall the session was so helpful and was an eye opener.

INTRODUCTION
Mushroom cultivation is being commercialized in India past few decades.
Its cultivation is mainly on the hills as it requires low temperature for its growth; however with the emerging of modern cultivation technology it is now possible to cultivate this mushroom seasonally under controlled conditions and throughout the year by employing environmentally controlled conditions.
Himachal Pradesh is premier state of commercial mushroom cultivator and known as land of mushroom.
Other major states such as Punjab, Uttarakhand, Haryana, Uttar Pradesh and Tamil Nadu, are being major contributors of mushroom production in the country.
In the last ten years, large numbers of commercials units have been built by the entrepreneurs/farmers throughout the country for the production of button mushrooms.

"Empowering women through Ornamental Fish Farming"

In this meeting, I got a clear vision on Ornamental Fish Farming, what is benefits of it and also how should we maintain the Fish Farms. I feel very happy because of Dr. Thirumathal, Assistant proffesor who explains well about the Ornamental Fish Farming And also she explains how should we become a successful entrepreneurship by Ornamental Fish Farming.

Arrangements, Maintainance, requirements in Ornamental Fish Farms and earning methods. So I got a clear vision on Ornanamental Fish Farming. I proud about that she was a alumini of our college and now she was a Resource person. She was very interactive with us. Ornamental Fish Farming is a part and very relevant to my subject. So It is very useful and very benefitial to me to understand my subjects. And also organizing committee was arranged meeting well give more time to clear my doudts. It is a great

Opportunity to learn and also to be motivated to become a successful Entrepreneur in Ornamental Fish Farming. She also share her expirence with us It was very useful to me. From the whole session. I am not only learn my subjects and also I got motivation to become successful women Entrepreneur in my life. Finally, I am very thankful to the whole committee and to my college for arranging this wonderful online session.

"Jobs for Graduate with Biology Degree - Medical Coding"

(Motivation & Career Guidance)

15/05/2021 (4.30 - 5.30 Pm)

The students were given an opportunity to talk with an alumni, Mrs. Idhaya, CRC Junior Executive - Medical Coding Visionary RCM Infotech, Chennai. Mrs. Idhaya talked about the importance of Communication skills, Language skills and other technical skills. At the time of the graduation student has to not only study their specialisation, but also improve the skills what ever is possible for them. She has also motivated the students to attend all campus interviews, which will help them to prepare well for forthcoming interviews. More than 70 students has participated and interacted with Mrs. Divya. Students were very happy to interact with them, as the Resource persons were very friendly and their own Seniors. The session was eye opener for many of the participants, as the field medical coding was a new emerging area, which has more job opportunities.

Sri G.V.G Visalakshi College for Women
Udumalpet
Department of History

Webinar

Date : 28.05.2021 Time : 11 Am to 12.30 pm

Forum : Google Meet
Topic : "Career Opportunities for History Students"

Objective :-

To generate awareness of career opportunities particularly for History Students.

Due to unawareness of the importance of the History subject, we are in lack of admission for History. So we organized this webinar to create awareness and opportunites of History.

Resource Person :-

Dr. S. Ravichandran
Assistant Professor of History,
Periyar University, Salem.

Our Resource Person explained in detail about the competitive exams for Government jobs like. TNPSC, UPSC, SSB, Civil Service Exams etc... He encouraged the rural back ground students, how to equip themselfs for these competitive exams.

The Webinar was started with the formal Welcome address given by Dr. G. Karthiga, and she introduced the

the Resource Person. Really it is an eye opener session for the students to know about the values of History and vast opportunities in various fields including Museum, Archaeology, Tourism and Journalism.

Students also raised many questions regarding their future career. He explained in a very simple way and it was very useful to the rural back ground students.

Finally vote of Thanks given by Dr. P. Siranjeevi.

95 Students were benefitted and E-certificate also issued to them.

We arranged live stream also in YouTube.

Rajeswari.

The Webinar on **Research** Guidelines and **Career Opportunities** was organized by Department of Physics und**er DBT Star College Scheme on 28**.05.2021. Dr. P. MATHESWARAN, Assistant Professor in Physics, Kongunadu Arts and Science College was acted as a Resource Person for this webinar. The programme was started with welcome address by Dr.M.Nirmala, Assistant Professor of Physics.

As education systems are expanding and intensifying, the creation of new jobs and opportunities are changing the way individuals make their career choices. With such changes in place, career planning has become more complex and confusing. Today this webinar on career guidance program will benefit the students a lot in finding answers to future career plan.

- Different specialization fields available in Physics discipline such as Electronics, Quantum Mechanics, Nuclear Physics, Radiation Physics etc and he listed the name of entrance examinations and their respective institution as a gateway.

- high clearance for post graduates to be a scientist or scientific officers through the exams like GATE and by clearing the UGC NET ,TET exam for their teaching professions or to have a doctorate in their interested fields.

- Scope of jobs as Lab technecian, Subject matter expert, Researcher, Radiologist Assistant in hospitals and UPSC exams etc.

- Protocols for applying for research programmes, how to select a materials, how to execute an experimental part, publishing papers, interpretation etc.

- Shared his research experience, what are the points he missed while doing his research

- Motivated the students towards government sectors and awakened the students' interests of a physicist to lead a great future with the help of her great awareness and thoughts.

- Highlighted the research fellowships available for Women scientists.

Harinikaviya of III B.Sc. Physics student has proposed vote of thanks. She thanked Principal and management to encourage for organizing such informative Program. She also thanked, **Dr. P. MATHESWARAN** to deliver the informative talk. There are 100 participants were benefited from this webinar.

first paragraph
My first paragraph. k-means is one of the simplest unsupervised learning algorithms that solve the well known clustering problem. The procedure follows a simple and easy way to classify a given data set through a certain number of clusters (assume k clusters) fixed apriori. The main idea is to define k centers, one for each cluster. These centers should be placed in a cunning way because of different location causes different result. So, the better choice is to place them as much as possible far away from each other. The next step is to take each point belonging to a given data set and associate it to the nearest center. When no point is pending, the first step is completed and an early group age is done
