Report of Alumni Meeting

(2020-2021)

A virtual meeting is conducted on 20.01.2021 for the alumni through Google Meet. During the meeting the status of the alumni, and their occupation was taken into account. The alumni were proud to be the students of Sri GVG Visalakshi College for Women as their stay in the campus enhanced their potentials, and skills. Most of them are working as teachers and some of them are working as assistant professors. Most of them have become home makers. It was proposed to conduct more meetings in the future. It was decided to strengthen the alumni chapter at the local level. It was decided to contact number of alumni and whatsapp group is to be created. The alumni promised to extend their support in identifying them and enroll them. A request was made to the alumni to strengthen department library by their generosity and liberal contribution. Efforts were taken to identify the alumni who have become entrepreneurs. Some of them will be invited to deliver invited talks and motivational speech.

(Motivation & Career Guidance)

15/05/2021 (4.30 - 5.30 Pm)

The students were given an opportunity to talk with an alumni, Mrs. Idhaya, CRC Junior Executive - Medical Coding Visionary RCM Infotech, Chennai. Mrs. Idhaya talked about the importance of Communication skills, Language skills and other technical skills. At the time of the graduation student has to not only study their specialisation, but also improve the skills what ever is possible for them. She has also motivated the students to attend all campus interviews, which will help them to prepare well for forthcoming interviews. More than 70 students has participated and interacted with Mrs. Divya. Students were very happy to interact with them, as the Resource persons were very friendly and their own seniors. The session was eye opener for many of the participants, as the field medical Coding was a new emerging area, which has more job opportunities.

Report of Webinar on “Legal Rights of Women”

Platform : ***Google Meet***
Date : ***25.05.2021, Tuesday.***
Time : ***10:30 AM to 12:00 PM***

Department of Physics organized the Webinar on Legal Rights of Women under DBT Star College Scheme on 25.05.2021. Mrs.M.Sathyavani, Advocate, Udumalpet was acted as a Resource Person for this webinar. The programme was started with welcome address by Dr.M.Nirmala, Assistant Professor of Physics. There are several laws in India that give women the authority to fight against abuse, discrimination, violence, harassment, indignities, etc. Being aware of them is the first step towards fighting against any injustice. Laws promulgated for the well being of women have been laid down, but many of them are unaware of these. We are conducting this webinar to create the awareness about the women rights among the students and society.

She appealed to women to make use of constitutional and legal provisions women. She asks students to don't get confined in four walls of the home. Now there is a day of gender equality, so everybody accept it act accordingly. She gives important tips to working ladies to avoid trouble at the workplace. She says that there is not a single field where lady cant work. She should assume herself strong and competent to face any challenge.

She highlighted various issues and challenges that enhance women's vulnerability in a patriarchal society, Specific impact of Pandemics of roles of women at home during lockdown, Indigenous knowledge carried by women, it's possible utilization through participatory mode of responsibility and accountability sharing, Insecurity with regard to physical and sexual abuse in study centers and working places, brining financial security and decision making capabilities for them. She requested the students to use of social media in a secure manner.

The resource gave a special address emphasizing that the best strategy for empowerment of women is to look at the strength instead of weakness, shifting our focus from “women as a component of vulnerability to component of strength. Finally, she gave an insight into various measures that can be taken to promote women participation in growth of nation.

M.Sowmiya II B.Sc. Physics student has proposed vote of thanks. She thanked Principal and management to encourage for organizing such informative Program. She also thanked Mrs.M.Sathyavani, for her valuable information. There are 100 participants were benefited from this webinar.

Feedback for 'Career Opportunities in Zoology,'  
Alumni Webinar Series taken by our proud  
Alumni Dr. S. Sudha (Assistant Professor,  
Department of Zoology, L.R.G. Government Arts  
College for Women, Tirupur) on 20-03-2021.

Thank you for inviting such an engaging,  
talented speaker! Very informative seminar  
for young minds. Life science career,  
push or pull phenomenon and employment  
pathway for careers was provided, which was  
very helpful. Different fields of careers,  
companies details for Zoology was included.  
Mam have also added research experiences  
for UG programs and nearly 200 links for  
career opportunities was shared. It looks  
like you've put a lot of work into this.  
Thank you Mam, we felt enriched.

Career Opportunities in Zoology

First of everything I thank our Principal, HOD and  
Programme co-ordinator for arranging this wonderful Alumni  
Webinar Series. I also thank Dr. S. Sudha, Assistant Professor,  
Department of Zoology, L.R.G. Government Arts College for Women,  
Tirupur (Resource person) for sharing her valuable knowledge  
with us. At the end of the session we got an idea  
about the career opportunities in Zoology. Obviously, this  
session for career opportunities was very much useful and  
got some ideas regarding job opportunities. Everyone use  
to say that Zoology has no scope, there is no vast  
career opportunities and so. But after attending this  
meet I personally came to know that Zoology also has  
much job opportunities like other streams. Overall the  
session was so helpful and was an eye opener.

### "Empowering women through Ornamental Fish Farming"

In this meeting, I got a clear vision on Ornamental Fish Farming, what is benefit of it and also how should we maintain the Fish Farms. I feel very happy because of Dr. Thurumathal, Assistant professor who explains well about the Ornamental Fish Farming. And also she explains how should we become a successful entrepreneurship by Ornamental Fish Farming.

Arrangements, Maintenance, requirements in Ornamental Fish Farms and earning method. So I got a clear vision on Ornamental Fish Farming. I proud about that she was a alumini of our college and now she was a Reseowue person. she was very interactive with us. Ornamental Fish Farming is a part and very relevant to my subject. so It is very useful and very beneficial to me to understand my subject. And also organizing committee was arranged meeting well give more time to clear my doubt. It is a great

Opportunity to learn and also to be motivated to become a successful Entrepreneur in Ornamental Fish Farming. she also share his experience with us. It was very useful to me. From the whole session, I am not only learn my subject and also I got motivation to become successful women Entrepreneur in my life. Finally, I am very thankful to the whole committee and to my college for arranging this wonderful online session.

08/05/2021 (Entrepreneurship Development  
& Gender Equity)

The invited talk on empowering women through ornamental fish farming was given by Dr. K. Thirumaththal, Associate Professor (ETD), Annamalai University College for Women, Palani. She has talked about financial independence of women and importance of being an Entrepreneur, types of Entrepreneur activities in ornamental fish culture. She has also shared how Sri GVG Visalakshi College for Women has helped her to attain this position, and being financially independent. Students were motivated to become successful entrepreneur in future, which does not require much investment and much skills. The programme ended up with the formal vote of thanks.

TOPIC - NUTRITION AND HEALTH

DATE - 14/05/2021 (3:00 PM - 4:00 PM)

It gave me immense pleasure to pen down my experience as an Alumna of Sri GVC Visalakshi college for women. Today I had a great opportunity to address the present generation students through this forum. I discussed about Nutrition and its importance on health. Students who attended this session seemed to be very enthusiastic and I believe that I could address to the questions raised during the session in a satisfactory way.

I also take this opportunity to thank Dr S. Umamaheswari, Head of the department, Dept of Zoology, Sri GVC Visalakshi college for women for remembering me and inviting me to this webinar series. I thank all the members of organizing committee for helping me and guiding me to deliver this talk successfully. More than everything, I thank each and every one of you for giving me this golden opportunity to reach back to my department after 18 long years. Thankyou so much mam + all faculty members.

Opportunity Is The Key To Success

I am thankful to all my Professors to make this wonderful session on 15<sup>th</sup> May 2021. It is my best opportunity to learn more information about job opportunities after B.Sc Zoology. I think before this session I only know after completed B.Sc the best option is M.Sc. But through this meeting I learn without M.Sc I can get more job offers after completed B.Sc. I really thankful to our alumini V. Gayathri Senior Analyst, First Source Solution Pvt. Ltd, Bangalore. Because of her motivational speech and sharing her interview experience I can get the information. And I can more time thanks to my Professors for Organising this wonderful meet.

Thank you,
